## AROMATIC

### HENDRICKS 14.10

The iconic medicine bottle shape of the Hendrick's Gin lets you know that you're in for a quality Gin experience; and with Hendrick's you get an unexpected infusion of cucumber and rose petals that results in a most iconic gin. Served with Fever Tree elder flower tonic water.

### MONKEY 47 15.10

Complex, this is a powerful gin with a lot going on. Big flavours combine spice, fruit and herb flavours into a glorious flavour profile. Understandably complex, the palate finds a delicate balance between notes of juniper, citrus, sweet flowers, bitter fruit and peppery spices. Served with Fever Tree Mediterranean tonic water.

### PLYMOUTH 13.60

Plymouth Gin is an award-winning gin distilled using the same blend of seven exotic botanicals, soft Dartmoor water and pure grain alcohol since 1793. Plymouth is an extremely smooth, creamy and full-bodied gin. The Plymouth distillery is powered by 100% renewable hydroelectricity. Served with Fever Tree Mediterranean tonic water.

### ROKU 14.10

A complex Japanese gin with refreshing yuzu citrus top notes and a spicy shansho pepper twist. Roku means 'six' in Japanese and refers to the six local, seasonal botanicals which complement eight traditional gin botanicals and give this spirit a distinctly Japanese character. Served with Fever Tree Indian tonic water.

### AVIATION GIN 14.30

An American gin compiled of cardamom, coriander, French lavender, anise seed, sarsaparilla, juniper, and two kinds of orange peel. Served with Fever Tree Mediterranean tonic water.

## FLORAL

### SAPLING 14.10

Sapling Gin is a climate positive London dry gin distilled from organic regenerative wheat. They offset their carbon footprint by planting a tree for every bottle sold. It's a classic twist on a London Dry; bold on the juniper, refreshingly zesty, and hints of rosemary for a herbaceous finish. Served with Fever Tree Indian tonic water.

### BROCKMANS GIN 14.10

Bright and floral on the nose. Strawberry, Hibiscus, a touch of sourness and a hint of raspberry. A little bit more traditional citrus bouquet in the mids, with a faint hint of ethanol in the lows. Served with Fever Tree Mediterranean tonic water.

Our standard serve is 50ml. 25ml available upon request.

# GIN & TONIC

## FRUITY

### MALFY ROSA

The Malfy Gin Rosa is a bright and refreshing flavoured gin, with a zesty and citrusy taste of pink grapefruit, and a rich, long juniper finish. Served with Fever Tree Mediterranean tonic water.

Or why not try MALFY ARANCIA

### WHITLEY NEIL RHUBARB & GINGER

The taste of an English country garden with a tart crisp edge. The essence of rhubarb adds a tart crisp edge to our smooth gin base whilst the ginger extract warms the palate for a full-bodied finish. Served with Fever Tree ginger ale.

## CITRUS

### BEEFEATER

A quintessential London Dry Gin, Beefeater has a remarkably clean flavour, with a bold juniper character that is balanced with strong notes of citrus. Served with Fever Tree aromatic tonic water.

### MALFY LIMONE

Malfy Gin Con Limone is a delightfully zesty gin, distilled in Italy with some of the finest botanicals, including handpicked juniper, Italian sun-ripened lemons and Amalfi lemon peel. Served with Fever Tree Mediterranean tonic water.

### SIPSMITH GIN

The quintessential expression of a classic, traditional London Dry Gin. Bold, complex and aromatic – smooth enough for a Martini, yet rich and balanced, perfect for a G&T. Served with Fever Tree Mediterranean tonic water.

### BOMBAY PREMIERE CRU

A small batch, handcrafted gin from Bombay Sapphire celebrating nature's finest citrus harvest from Murcia, Spain. Sustainably sourced, the late-season's harvest is hand picked, hand peeled and dried in the Mediterranean sun to capture the brightest, most aromatic oils. Served with Fever Tree Indian tonic water.

Our gins are perfectly paired with Fever Tree tonics. Find out more here:
